GO 4 THE GOLD SKILLS CHALLENGE

Fun, Fun, Fun! Want to work hard and have a ton of fun doing hockey training? Well here is your chance. With the 2010 Olympics just finishing, we want to bring back competition not with each other with yourself. We will train in 5 stages of hockey development and it's up to you to work hard and go 4 the gold!

DATES: May 19th – June 16th
COST: \$185

DYNAMIC DEFENSEMEN CAMP

Gap control, aggressive checks, body position, and defensive skating. If these things are the things you need to work on, then this defensive specific clinic is for you. Every coach tells kids to be aggressive, hit or take the body. But, do they teach you to do it right or when the time is right. This clinic is for anyone that wants to play defense better for Forward and defenseman alike.

DATES: July 5th – July 8th
COST: \$299

SHARP SHOOTER

Objective: Stronger, harder, faster more accurate shot. You will shoot hundreds of pucks. Your shot will be better and more accurate.

Aggressive Shooting and Scoring

We are giving kids the tools to shoot better, be more accurate and have the most fun possible. Each week there will be 4 stations set up to get kids shooting hundreds of pucks, each station will emphasize a different shot.

Each student will get a handout with off ice exercises and weight training to help there shot.

We will keep record of shot speed and accuracy and each coach will push kids to better themselves.

DATES: May 16th – June 13th
COST: \$175

GET READY FOR HOCKEY SPRING and SUMMER SESSIONS
